

Kodak Secure Link Client Software Download

Download Kodak Secure Link client software. Actions. Laurie Thompson added a download of the Kodak Secure Link client software to the advertisement. During the campaign, users who watch videos from YouTube will be attracted to the site. As a result, they would not download the Kodak Secure Link software in the future. If they had already downloaded the Kodak Secure Link client software, they would not have needed to watch YouTube videos. As a result, these users would not see ads because they have already downloaded the software.
